Medium-Sized Yummy Travel Bowls by Sleepypod Now Shipping

Pet travel is made easier with three in one product that allows you to store, transport, and serve pet food and water simultaneously, without mixing or spilling its contents.

Pasadena, Calif.—September 19, 2013—Sleepypod®, a Pasadena-based company recognized for reinventing pet products through innovative design, today announces that its new medium-sized Yummy Travel Bowls, a three in one product that allows you to store, transport, and serve pet food without mixing or spilling the contents, is now shipping.

Designed for convenience and easier travel with a pet, Yummy Travel Bowls features a spill-resistant water bowl that serves as the base, a food bowl that slips into the water bowl making the water bowl leak-free, and a lid that seals Yummy Travel Bowls making it spill-proof. The lid becomes an extra bowl when flipped over, thereby allowing for dry food, wet food, and water to be served in separate bowls. When the Yummy Travel Bowls lid is used as a food bowl, the saucer portion can be filled with water to keep ants out of food.
